At BCGA, among all of our core values, giving back is paramount.

Our ALLIANCE will work with your employees and foundation and BCGA will give back to your foundation year after year with unrestricted donations.

About BCGA

The Beneity Charitable Giving Alliance (BCGA) was established to provide unrestricted donations to America's non-profit 501(c)3 charitable organizations.

Through alliances with foundations and non-profits, the Beneity Charitable Giving Alliance is able to provide a predictable, reoccurring stream of donations to your non-profit or charity of choice. The donations may be used in anyway that your foundation or charity of choice desires.

The Beneity Charitable Giving Alliance (BCGA) is committed to help people through philanthropic efforts. By operating nationally and giving back locally, the BCGA is uniquely positioned to address the needs of the communities it serves and to make a significant social impact by giving to non-profit alliance partners.
